We will explore jungle animals / bugs and their complex habitat during this exciting week. Join us as we learn to hop like tree frogs, hunt like a tiger and even swim like a primate! Don't miss the fun we will have.

Awesome Outer Space (June 11 - 14)

We will explore the exciting and mysterious world beyond our planet. We will play, sing and have fun with stars, moons, planets and even aliens! Discovering the unknown will be a wonderful adventure, but watch out for little green men coming home!
