Sanitizing Upholstered items

Sanitizing upholstered items is quick and easy

Any item that is padded or upholstered that a child sits in or lays on must be sanitized. We will have the sanitizing spray available during Thursday and Friday drop off. Please see Sanitizing info attachment for more details.

Sanitizing is a spray we are required to use by the state to kill bed bugs, you are required to clean and sanitize any non upholstered items per Covid guidelines.

Donation Information Quality = Dignity

We donate items based on charities acceptable donation guidelines. These charities support children and families living in poverty and low-income situations that need basic essentials. If an item can not be donated the seller is responsible for picking up the item by 3 PM on Saturday.

Charities we are currently supporting

Cradles to Crayons • Kate's Casa

Donations may only be taken by a representative from the charity

If you know of additional charities that could use our help or if you have any questions please contact Sandy Elkins • stmatts.sandy@gmail.com
