

Sanitizing Information

The Pennsylvania Department of Labor & Industry is continuing to strongly enforce PA Act 249, related to consumer protection that directly impacts all second-hand sellers. PA Act 249 requires us to treat all padded and upholstered merchandise with a sanitizing spray according to Department guidelines. These guidelines are very specific, and must be followed exactly. Any item that is padded or upholstered that a child sits in or lays on must be sanitized.

This includes but is not limited to:

- boppys
- jumperoo seats
- high chairs
- pack and plays
- strollers
- playmats
- baby carrier and slings
- floppy seat (shopping cart covers)
- exersaucers
- swings
- quilts

Sanitizing upholstered items will be done on Thursday and Friday Sanitizing your items is a quick and easy process.

When you arrive, there will be a station where you can take these items to be tagged and sprayed by a volunteer.

You are responsible to place your sanitized items on the sales floor.

State inspectors will be visiting local consignment sales to ensure proper adherence to the laws, stiff fines are levied on each and every item that doesn't pass inspection.

You are responsible for your merchandise if one of your items should reach the sale floor without being sprayed and tagged you will be responsible for the fine issued by the state.
