Land of Enchantment (June 3 - 6)

Long, long ago in a place far, far away we will discover the world of dragons, magic and mystery. We will hunt for mystical creature, find our prince (or princess) charming, and learn how to be a knight! Join us for a great week.

Frogs, Fish and Fun (June 10 - 13)

We will explore stream and pond life complete with a close up examination of a pond. Getting down and dirty with the animals and plants that live near water should be a jumpin' good time! Join us as we learn to hop like frogs, swim like fish and even fly like dragonflies!

Camping Across the Seasons (June 17 - 20)

This exciting week will take us camping to four great locations so we can explore each season and all its wonders. We will be going to visit mountains, forests, beaches, and lakes! Be sure to pack your sleeping bags and flashlights for the trip.
